Systems Association

**2025**

**Exhibitor Prospectus &  
Sponsorship Opportunities**

# An Invitation to Exhibit or Sponsor

The Electrical Generating Systems Association (EGSA) unites OEMs, distributors, dealers, contractors, integrators, design professionals, service and maintenance companies, and customers from the onsite power generation industry for networking and education.

We invite all companies that are interested in promoting their brand, networking with partners, and advancing the industry to become an EGSA Sponsor and Exhibit at a 2025 conference.

## 2024 sponsors and exhibitors included:

- |                               |                                |                                    |
|-------------------------------|--------------------------------|------------------------------------|
| AKSA                          | IGSA Power                     | Power Temp Systems                 |

## Additional Sponsorship Opportunities

Sponsorship activities with EGSA offer several advantages, including increased visibility and networking opportunities within the power generation industry. Sponsors gain direct access to a highly specialized audience of manufacturers, distributors, and end-users, allowing them to showcase their products and services. Additionally, sponsors can stay informed about industry trends and innovations, positioning themselves as thought leaders in the market.

### Power Talk Webinar

Use Thought Leadership to promote your organization during a virtual Power Talk. Webinars are live events and recorded then posted to the EGSA YouTube channel.

*Sponsor determines topic and provides speakers.*

Quarterly: \$10,000

Each Webinar: \$4,000

### Rowley Schools

Sponsorship includes logo placement at schools as well as on the EGSA.org website.

\$4,000 per School

### Buying Guide Advertiser

The EGSA Buying Guide is printed annually and made available online. The searchable directory is used in the industry to find service engineers, distributors, and manufacturers as well as other service providers.

\$4,000

### Powerline Advertiser

[See EGSA Rate Sheet](#)

### Create Your Own Sponsorship

Contact us about creating your own bespoke sponsorship for the conference or annually.

*We love new ideas!*
